NEW SEASON MACADAMIA NUTS

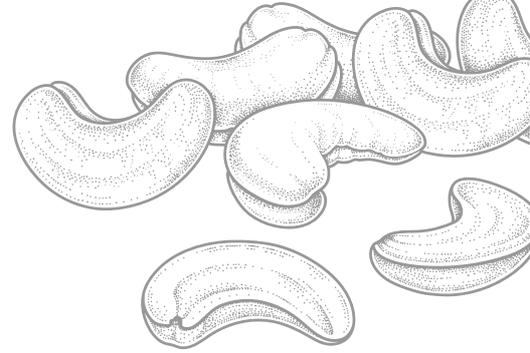

Macadamia is a special plant that supplies the most nutritious dry nut in the world. Although the survival rate after germination is up to 90%, but in the harvest season, just over 35 degrees Celsius, the nuts fall soon. With favorable soil conditions and special climatic conditions, the two best area for planting macadamia in Vietnam are the Tay Bac and the Tay Nguyen.

The area in the world is about 80.000 ha including Australia, China, Thailand, Hawaii and Vietnam. Although imported from abroad, this plant has quickly adapted to the soil and climate conditions of Dak Lak, Lam Dong (Da Lat), Dien Bien (Tay Bac).

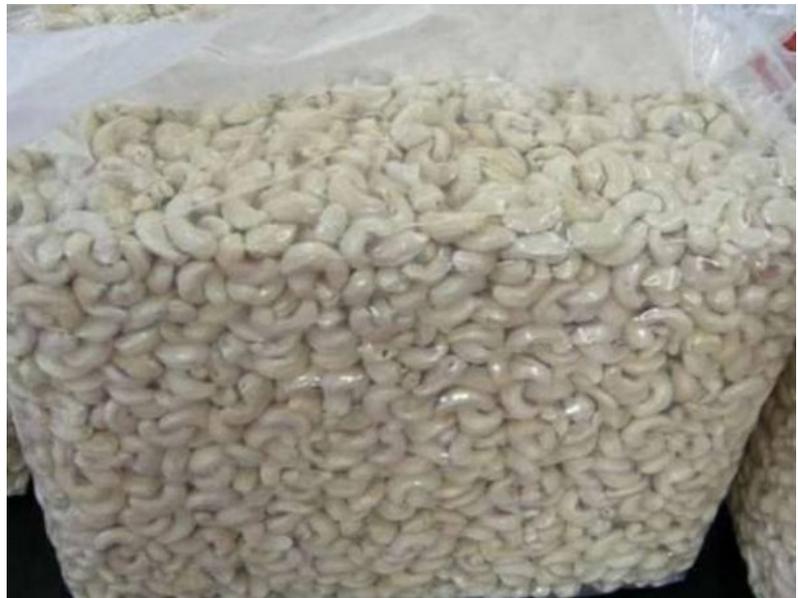

CASHEW NUTS

They are:

- W-180, is the ' King of Cashew ' - They are larger in size and very expensive.
- W-210, are popularly known as ' Jumbo ' nuts.
- W-240, it is an attractive grade which is reasonably priced.
- W - 320, are the most popular among cashew kernels and highest in terms of availability, worldwide.

INCENSE STICKS

Incense Sticks provide a divine aura at homes that seem to calm our senses. While offering prayers, they add to the divine fervor and spread natural aura that's quite pleasing. Their natural ingredients do not instigate cough, sore throat or dull headaches. All our products are carefully handpicked; 100% Natural... that are truly organic. They do not contain artificial favors or colors. Our aim is to provide healthy wholesome products to you that promote good health and wellbeing. Happy and Healthy living for life
